Notaries Public

Notaries Public are persons who have been assigned to assist the public to verify and certify the truth of different matters. The title is latin and means "public secretary". A Notary public is appointed by the County Administrative Board (Länsstyrelsen).

Notaries Public primary tasks are to help the public regarding:

- Certify signatures.
- Verify lottery draws
- Attend as a witness in storage rooms opened or closed
- Attend as a witness when seals are put in place or are to be broken
- After checks or investigations provide accounts of the observations being made
- Confirm that an authority or a person is authorized to perform certain matters or that a person has the official position or expertise to represent someone else
- Issue an apostille, an authorized seal placed on a document that verifies that the signature on the document is real

A Notary Public charges a fee for the service rendered.
